

Mandatory CE marking for construction products

CE marking is mandatory for all construction products for which there is an adopted harmonised product standard after the entry date set by the European Commission. The CE marking consists of the product's CE marking and the Declaration of Performance (DoP) related to it.

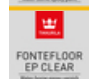

CE marking concerns the following product ranges marketed and sold by Tikkurila Oyj: *internal plasters, jointing materials for gypsum plasterboards, decorative fiberglass wall coverings, external renders, products and systems for the protection and repair of concrete structures, rendering and plastering mortar, and screed material and floor screeds.*

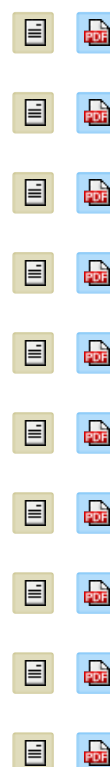

As far as Tikkurila products are concerned, CE markings will be found on our website and Declarations of Performance issued and made available either as printed or digital versions.

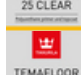

CE marking enables the free movement of products within the European market. By affixing the CE marking to a product, a manufacturer declares that the product meets all the EU's legal requirements relating to health, safety, the environment and consumer protection.

CE-marked industrial product range

-  Product data sheet
-  Safety data sheet

	Fontedur FL Matt - Polyurethane lacquer
	Fontefire ST 60 - Intumescent coating
	Fontefloor EP 100 - Water-borne epoxy paint
	Fontefloor EP Clear - Water-borne epoxy lacquer
	Fontefloor EP Primer - Epoxy primer
	Temabond ST 300 - High-solids epoxy paint
	Temacoat GPL - Epoxy finish
	Temacoat RM 40 - Epoxy paint
	Temadur 90 - Polyurethane paint

	Temaflor 150 - Epoxy paint		
	Temaflor 200 Primer - Solvent-free epoxy varnish		
	Temaflor 220W Primer - Solvent-free epoxy varnish		
	Temaflor 25 Clear - Polyurethane primer and top lacquer		
	Temaflor 3000 - Solvent-free epoxy screed		
	Temaflor 400 - Solvent-free epoxy varnish		
	Temaflor 4000 - Solvent-free grinding screed		
	Temaflor 4000 ESD - Electrically conductive grinding screed		
	Temaflor 401 - Solvent-free epoxy varnish		
	Temaflor AC102 Primer - Solvent-free acrylic primer		
	Temaflor AC501 - Solvent-free acrylic binder		
	Temaflor AC502 - Solvent-free acrylic binder		
	Temaflor AC509 - Solvent-free acrylic binder		
	Temaflor AC601 Clear - Solvent-free acrylic topcoat		
	Temaflor AC602 Clear - Solvent-free acrylic topcoat		
	Temaflor AC609 Clear - Solvent-free acrylic topcoat		
	Temaflor AC610 Clear - Solvent-free acrylic top lacquer		
	Temaflor P 300 - Solvent-free epoxy coating		
	Temaflor PU - Solvent-free polyurethane coating		
	Temaflor PU Flex - Elastic polyurethane coating		
	Temaflor PU-UV - Polyurethane coating		
	Temaline EPL 100 - Epoxy-phenolic paint		
			

Temaline TL - Epoxy coating
