

## MED-approved products

The following Tikkurila's products have MED (Marine Equipment Directive) certificate and are thus accepted to be used for interior painting of walls and ceilings in ships.

This certificate No MED-D-1926 certifies that manufacturer Tikkurila Oyj operates an approved Quality System Approval according to Marine Equipment Directive 96/98/EC, amendment 2012/32/EU for surface materials with low flame-spread characteristics, production-quality assurance (module D).

Tikkurila products that meet the requirements on materials with low flame-spread characteristics and not producing excessive quantities of smoke and toxic products or not giving rise to toxic hazards at elevated temperatures and the provisions of Marine Equipment Directive (96/98/EC, amendment 2012/32/EU) that apply to surface materials with low flame-spread characteristics.
